Liveaboard Overnight and Day Charters in the Bazaruto Archipelago

---

## Introduction

Embark on an unforgettable journey with us through the Bazaruto Archipelago bay, one of the most beautiful pockets of the Indian Ocean. During your day or overnight trip, you will cruise through azure channels, pass sand bars of crushed white shells and reach secluded beaches.

Catsonova is a classic 44ft catamaran yacht with a long history in Vilankulo. A few local friends with some knowhow and a vision to create the best day and night on the water, recently dedicated themselves to a loving upgrade of Catsonova, adding details such as wood trim interiors and installing top of the line equipment. This 44ft motorised catamaran yacht is perfect for a day trip of up to 19 pax or overnights with up to 5 couples.
